The Yearbook is an essential resource for casting directors, agents, producers, and anyone else looking to hire actors for film, television, theatre, or commercial work. It is also a valuable tool for actors themselves, who can use it to research potential agents, casting directors, and projects.

What's New in the 2024 Edition?

The 2024 edition of the Actors and Performers Yearbook features a number of new additions and updates, including:

- Over 500 new entries for actors and performers who have recently entered the industry
- Updated contact information for all actors and performers
- New career histories and performance credits for all actors and performers
- A new section on casting directors, agents, and other industry professionals
- A new index of actors and performers by discipline

How to Use the Actors and Performers Yearbook

The Actors and Performers Yearbook is easy to use. Simply browse the entries by name, discipline, or location to find the actors and performers you are looking for. You can also use the index to search for specific actors or performers.

Once you have found an actor or performer you are interested in, you can click on their name to view their full profile. Their profile will include their contact information, career history, performance credits, and a headshot.
