Riverbend's writing is raw, honest, and unflinching. She writes about the daily realities of life in Iraq, from the constant fear of violence to the shortages of food and water. She also writes about the personal toll that the war has taken on her and her family. Riverbend's husband was killed by a US airstrike in 2004, and her two children have been traumatized by the violence they have witnessed.

Despite the horrors she has experienced, Riverbend remains hopeful for the future of Iraq. She believes that the Iraqi people are strong and

resilient, and she is determined to continue fighting for a better future for her country.

Baghdad Burning II is a powerful and moving book that offers a unique perspective on the war in Iraq. Riverbend's writing is both heartbreaking and inspiring, and her story is sure to stay with readers long after they finish reading it.
