Dilbert's cluelessness manifests in a variety of ways: he is oblivious to office politics, he struggles to understand the motivations of his colleagues, and he often finds himself at the mercy of incompetent bosses. Yet, despite his cluelessness, Dilbert possesses a

remarkable ability to observe and comment on the absurdities of his surroundings.

- **Don't Be Afraid to Ask for Help:** When you're clueless, don't be afraid to ask for help. Seek guidance from mentors, colleagues, or even Dilbert himself. Asking for help shows that you're willing to learn and improve.

- "Meetings are a waste of time. That's why it's important to have them."
- "The best way to motivate employees is to fire them. Then they really work."
