A Turning Point: The Encounter with a Compassionate Woman

As fate would have it, Charles's desperate cries for help reached the ears of a kind-hearted woman named Esther Kamweru. Touched by his plight, Esther extended a helping hand and offered Charles a place to stay at her modest home.

In Esther's humble abode, Charles found not only a roof over his head but also a glimmer of hope. Esther, a devout Christian, shared her faith with Charles, instilling in him the belief that even in the darkest times, there was a flicker of light.

From Street Child to Visionary Leader

Inspired by Esther's unwavering compassion, Charles resolved to dedicate his life to helping other orphaned children. In 1989, he founded the Charles Mulli Children's Foundation (CMCF), a non-profit organization dedicated to providing a haven for vulnerable children.

Starting with just a handful of children, CMCF grew exponentially over the years, transforming into a sprawling sanctuary spread across multiple locations in Kenya. Through its unwavering commitment, CMCF has provided refuge, education, and a sense of family to thousands of orphaned children, offering them a chance to break the cycle of poverty and adversity.

A Holistic Approach to Child Welfare

Charles Mulli recognized that true child welfare extended beyond providing basic necessities. CMCF adopted a holistic approach that encompassed education, healthcare, vocational training, and counseling. By investing in the comprehensive well-being of each child, CMCF aimed to empower them with the skills and confidence to become self-sufficient and contributing members of society.

Education was a cornerstone of CMCF's strategy. Charles believed that every child deserved access to quality education, regardless of their circumstances. The foundation established numerous schools within its centers, offering academic programs from preschool to university level. By providing a safe and supportive learning environment, CMCF has enabled thousands of children to unlock their potential and pursue their dreams.

Healthcare was another vital aspect of CMCF's mission. Recognizing the prevalence of health issues among vulnerable children, the foundation established well-equipped medical facilities within its centers. These facilities provide comprehensive healthcare services, including vaccinations, treatment for common illnesses, and specialized care for children with disabilities.

Vocational training played an equally important role in empowering the children under CMCF's care. By equipping them with practical skills, the foundation aimed to increase their employability and reduce their reliance on handouts. CMCF offers various vocational training programs in areas such as carpentry, welding, tailoring, and agriculture, giving children the opportunity to acquire valuable skills and become economically independent.

A Legacy Defined by Hope and Transformation

Over the past three decades, Charles Mulli's unwavering commitment to orphaned children has left an indelible mark on Kenya and beyond. CMCF has become a beacon of hope for countless children who have endured unimaginable hardships. Through its holistic approach, the foundation has not only provided shelter and sustenance but has also restored their dignity, instilled in them a sense of self-worth, and empowered them to reach their full potential.
