Early Life and Career

Donald John Trump was born on June 14, 1946, in Queens, New York. His father, Fred Trump, was a successful real estate developer, and his mother, Mary Anne MacLeod, was a Scottish immigrant. Trump attended Fordham

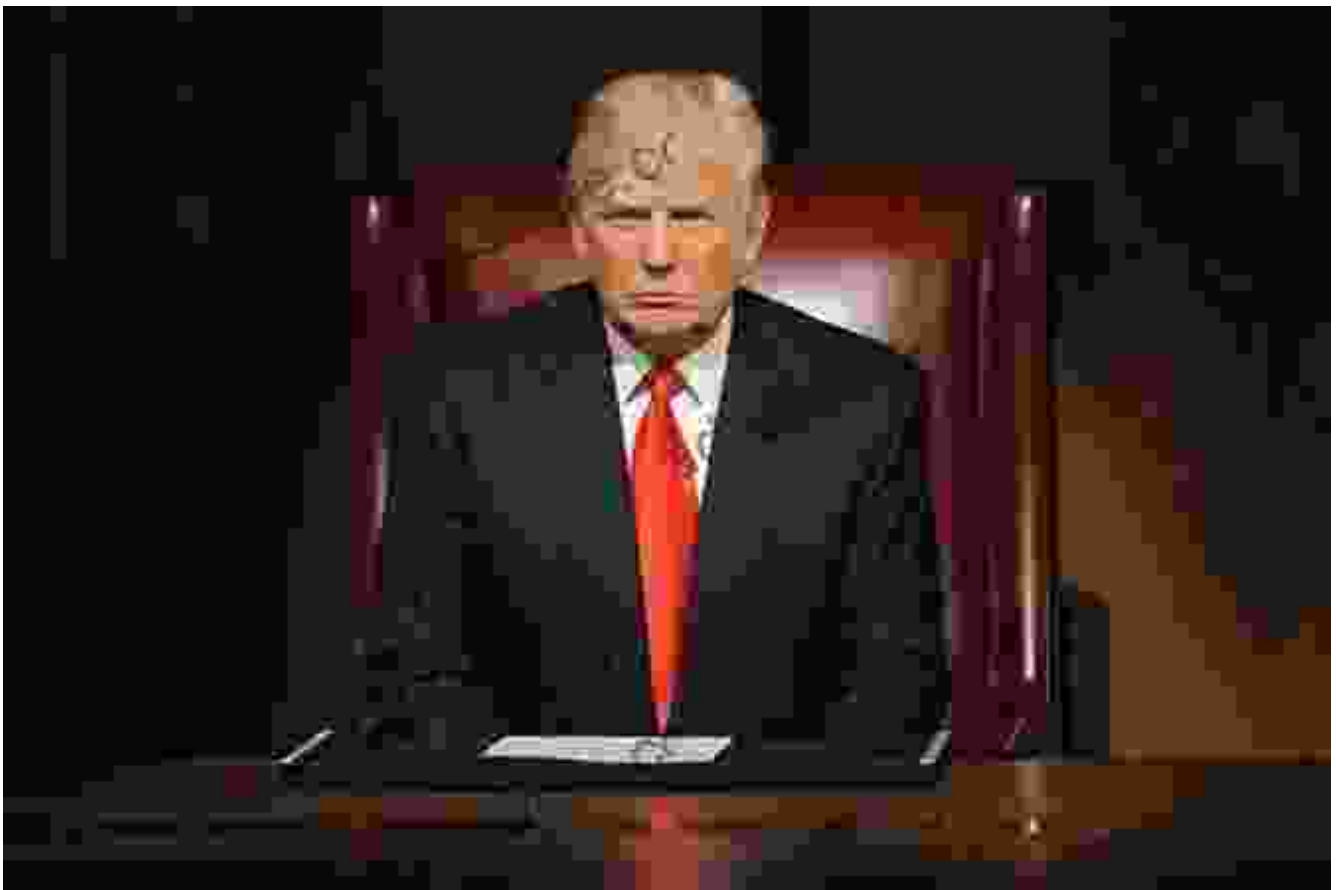

University and the Wharton School of the University of Pennsylvania, graduating with a Bachelor of Science degree in economics in 1968.

After graduating, Trump joined his father's real estate company, the Trump Organization. He quickly rose through the ranks, taking over the company in 1971. Under Trump's leadership, the Trump Organization expanded rapidly, acquiring and developing high-profile properties in New York City and beyond.

Television and Entertainment

In addition to his real estate ventures, Trump also ventured into the entertainment industry. In 1987, he hosted the reality television show "The Apprentice," which became a huge hit. Trump also made numerous cameo appearances in films and television shows, including "Home Alone 2: Lost in New York" and "The Simpsons."

Political Career

Trump's entry into politics began in the early 2000s. He flirted with the idea of running for President in 2000 and 2012. However, it was not until 2015

that he formally announced his candidacy for the Republican nomination in the 2016 presidential election.

Trump's campaign was marked by controversial and often inflammatory rhetoric. He pledged to "Make America Great Again" and promised to build a wall on the border with Mexico, repeal the Affordable Care Act, and ban Muslims from entering the United States.

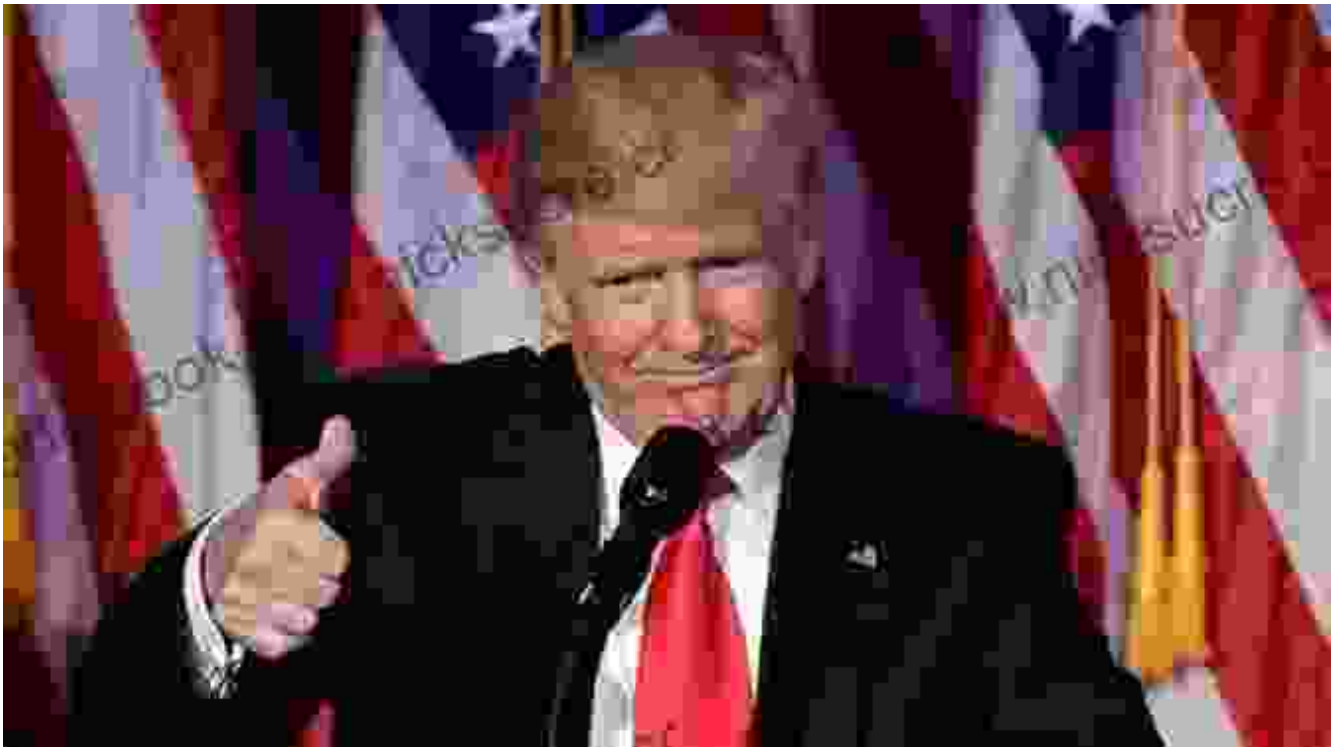

Presidency

Trump won the 2016 presidential election in a surprise victory over Democratic candidate Hillary Clinton. He was sworn into office on January 20, 2017.

Trump's presidency was tumultuous. He implemented policies that appealed to his conservative base, such as tax cuts, deregulation, and the appointment of conservative judges. He also withdrew the United States

from the Paris Agreement on climate change and the Trans-Pacific Partnership trade deal.

Impeachment and Legacy

Trump's presidency was marred by controversy. He was accused of obstruction of justice, abuse of power, and campaign finance violations. In 2019, the House of Representatives impeached Trump, but he was acquitted by the Senate.

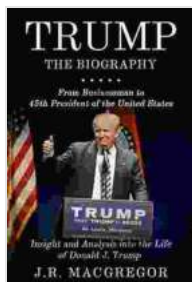

Trump lost his bid for re-election in 2020, defeated by Democratic candidate Joe Biden. He refused to concede defeat and made baseless allegations of widespread voter fraud. On January 6, 2021, a mob of Trump supporters stormed the US Capitol in an attempt to overturn the election results.

Donald Trump is a complex and controversial figure who has had a profound impact on American politics and society. His life and career have been marked by both success and scandal. His presidency was a period of significant change and upheaval, leaving a lasting legacy that will continue to be debated for years to come.

As we reflect on the life and impact of Donald Trump, it is important to consider his motivations, decision-making, and the consequences of his actions. By understanding the complexities of his character and the factors that have shaped his path, we can better comprehend the challenges and

opportunities facing our nation and work towards a more just and equitable future.
