Our Programs

We offer a variety of programs to meet the needs of our clients, including:

- **Residential treatment:** Our residential treatment program provides a safe and supportive environment for individuals to focus on their recovery. Clients receive individual and group therapy, as well as life skills training and education.
- **Outpatient treatment:** Our outpatient treatment program provides a flexible and affordable option for individuals who need continued support after completing residential treatment or who are not able to participate in a residential program.
- **Sober living:** Our sober living program provides a safe and supportive environment for individuals who are transitioning from treatment back to the community. Sober living homes provide structure, accountability, and support to help clients maintain their sobriety.
- **Peer support:** Our peer support program connects individuals in recovery with others who have been through similar experiences. Peer support groups provide a safe and supportive environment for individuals to share their experiences, learn from others, and develop coping mechanisms.

Our Impact

Since our founding in 2001, Life For Freedom has helped thousands of individuals overcome addiction and other life challenges. Our programs have been recognized for their effectiveness, and we have received numerous awards for our work.

Here are just a few of the stories of individuals who have been helped by Life For Freedom:

““I was lost and alone when I came to Life For Freedom. I had been struggling with addiction for years, and I had lost everything. But Life For Freedom gave me the support and guidance I needed to get my life back on track. I am now sober and employed, and I am grateful for the second chance that Life For Freedom has given me.” – John”

““Life For Freedom saved my life. I was suicidal when I first came to the program, but the staff and other clients helped me to find hope and a reason to live. I am now working towards my goals, and I am confident in my ability to achieve them. Thank you, Life For Freedom.” – Mary”
