Report From Engine Co. 82 is a powerful and moving account of the events of that day as witnessed by the firefighters of Engine Co. 82, one of the first to arrive at the scene. The book provides a unique perspective on the tragedy, and its impact on the firefighters and their families.

The book is written by Dennis Smith, a firefighter with Engine Co. 82 who was on duty that day. Smith's account is both harrowing and compelling, as he describes the chaos and destruction he witnessed, and the heroic efforts of his fellow firefighters to save lives.

Report From Engine Co. 82 is a must-read for anyone who wants to understand the events of 9/11 and the sacrifices made by the firefighters who responded to the attacks.

## **The Events of 9/11**

On the morning of September 11, 2001, Engine Co. 82 was dispatched to a report of a plane crash at the World Trade Center. When they arrived on scene, they found the North Tower of the World Trade Center engulfed in flames. Smith and his fellow firefighters immediately began to evacuate people from the building.

As they were evacuating people, the South Tower of the World Trade Center collapsed. Smith and his fellow firefighters were forced to flee the North Tower, which collapsed shortly after.

Smith and his fellow firefighters spent the rest of the day searching for survivors in the rubble of the World Trade Center. They were able to rescue several people, but many of their friends and colleagues were killed in the attacks.

## **The Impact of 9/11**

The events of 9/11 had a profound impact on the firefighters of Engine Co. 82. Many of them lost friends and colleagues in the attacks. They also witnessed the devastation and destruction caused by the attacks firsthand.

In the aftermath of 9/11, the firefighters of Engine Co. 82 continued to work tirelessly to protect their community. They also became involved in efforts to help the victims of the attacks and their families.

The firefighters of Engine Co. 82 are an inspiration to us all. Their courage, dedication, and resilience in the face of tragedy is a reminder of the best of humanity.

## **Report From Engine Co. 82**

Report From Engine Co. 82 is a powerful and moving account of the events of 9/11 as witnessed by the firefighters of Engine Co. 82. The book provides a unique perspective on the tragedy, and its impact on the firefighters and their families.

Smith's writing is clear and concise, and his account of the events of 9/11 is both harrowing and compelling. He does not shy away from the difficult details of the day, but he also tells the story of the firefighters' courage and resilience.

Report From Engine Co. 82 is a must-read for anyone who wants to understand the events of 9/11 and the sacrifices made by the firefighters who responded to the attacks.
