Pepys was born in London in 1633. His father was a tailor, and his mother was the daughter of a butcher. Pepys received a good education, and he went on to study at Magdalene College, Cambridge. After graduating from Cambridge, Pepys worked as a clerk in the Navy Office. He quickly rose through the ranks, and he was eventually appointed Secretary of the Admiralty.

As Secretary of the Admiralty, Pepys was responsible for the administration of the Royal Navy. He was a tireless worker, and he was instrumental in the development of the English fleet into one of the most powerful in the world.

Pepys also served as a Member of Parliament, and he was a vocal supporter of the Restoration of the monarchy.

In 1660, Pepys began to keep a diary. He kept it for a decade, and it provides a fascinating insight into his personal life, his work, and the society in which he lived. Pepys wrote about everything, from his daily activities to his innermost thoughts and feelings. His diary is a rich source of information about the everyday life of Restoration England, and it is considered to be one of the most important historical documents of the period.

Pepys was a complex and fascinating character. He was a brilliant administrator, a successful politician, and a talented diarist. He was also a deeply flawed man, and he was often plagued by insecurity and self-doubt. Pepys's diary is a unique and valuable document that provides a glimpse into the mind of a remarkable man.

Pepys's Diary

Pepys's diary is one of the most important historical documents of the Restoration period.
