

The Seeking Northeastern Library Of Black Literature: A Haven For African American Literature In Boston

The Seeking Northeastern Library Of Black Literature is a hidden gem in Boston's Roxbury neighborhood. Founded in 1970, the library houses a vast collection of African American literature, including works by both well-known and lesser-known authors. The library is a haven for scholars, students, and community members alike, and it plays an important role in preserving and promoting African American culture and history.

A Rich History

The Seeking Northeastern Library Of Black Literature was founded in 1970 by a group of Boston-area librarians and educators. The library's mission was to create a space where people could learn about and celebrate African American culture and history. The library's collection has grown steadily over the years, and it now includes more than 10,000 books, periodicals, and other materials.

The library is named after Dr. Selma Burke, a pioneering African American librarian and educator. Burke was the first African American woman to earn a doctorate in library science. She was also the first African American woman to serve as president of the American Library Association. Burke's legacy is a reminder of the importance of libraries in preserving and promoting African American culture and history.

A Haven For Scholars, Students, And Community Members

The Seeking Northeastern Library Of Black Literature is a haven for scholars, students, and community members alike. The library's collection is a valuable resource for researchers, and it is also a great place for students to learn about African American literature and history.
